Eurocontrol Announces Appointment of General (Ret.) Sir Michael Rose to the Board of Directors

Toronto, Canada, October 2, 2006: Eurocontrol Technics Inc. (TSX Venture: EUO), a Canadian public company specializing in the acquisition, development and commercialization of innovative authentication and verification technologies today announced the appointment of General (Ret.) Sir Michael Rose (UK) to the Board of Directors of the company.

Sir Michael Rose commanded the United Kingdom's Special Air Service ("SAS") from 1979-82 including service in the Falklands War, and commanded the UN Protection Force in Bosnia 1994-95. He retired from the Army in September 1997, although he remains 28th Colonel of the Coldstream Guards. Since leaving the Army, he has written and lectured extensively on peacekeeping and leadership to a wide variety of audiences around the world, which have included The Aspen Institute, Price Waterhouse, General Motors, Marconi, JP Morgan, Winterthur, Donaldson, Lufkin & Jenrette, Swiss Re, Novartis, Association of Private Client Investment Managers and Stockbrokers, The Association of Independent Tour Operators, The Wharton School, The Council for Foreign Relations and the National Press Club in Washington. His book about his experiences in Bosnia - *Fighting for Peace* - was published in Nov 1998 by Harvill Press, London.

"We are delighted that Sir Michael has agreed to join the board of Eurocontrol Technics. His unique experiences and international perspective will be very useful to the board as we develop the links between authentication, verification and security," commented Stan Bharti, Chairman of Eurocontrol Technics.

"Sir Michael Rose's understanding of international security issues and his broad experience in complex regional conflicts will prove invaluable to the shareholders of Eurocontrol as we deploy our Petromark™ hydrocarbon marking technology in Africa, South America, Asia and other challenging regions of the world," added Bruce Rowlands, President & Chief Executive Officer of Eurocontrol Technics Inc.

In addition, the Company has granted options to purchase 2,100,000 common shares at an exercise price of \$0.40 per common share to directors, officers and consultants of the Company, subject to regulatory approval.

About Petromark™

Founded in 2001, Global Fluids International S.A ("GFI") is one of the world's pioneers in developing and implementing innovative marking systems for the oil industry. Through its proprietary Petromark™ integral system, GFI has developed a 4-part solution consisting of a marker, injection, monitoring and control components. GFI's innovative solutions include various proprietary components that meet the needs of petrol distributors globally. The GFI Petromark™ solution addresses two major problems in the oil industry – combating the trade in

illicit fuels and providing brand protection for large oil companies. As the price of oil has increased substantially, such problems have become a higher priority for officials to address. Such oil industry cost realities along with GFI's 5-year R&D efforts to create its industry-leading marking solutions, along with access to capital provided by the Eurocontrol allows management to pursue numerous anticipated oil marking opportunities in fiscal 2007 and in years to come.

About Eurocontrol Technics Inc.

Eurocontrol Technics Inc. is a Canadian-based company trading on the TSX Venture Exchange under the symbol "EUO." Eurocontrol's primary asset is its 100% ownership of GFI.
